

REMARKS

Reconsideration and allowance are respectfully requested.

Claim 23 stands rejected under 35 U.S.C. §112, second paragraph as allegedly being indefinite. The Examiner notes several antecedent basis concerns that are remedied by amendment.

Claims 23-25 stand rejected under 35 U.S.C. §101 as allegedly being directed to non-statutory subject matter. As amended, the claimed steps are performed by a computer system, rather than being performed mentally or manually. Thus, the method now recites a machine and is not directed to an abstract idea.

The application is in condition for allowance. An early notice to that effect is requested. The Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14-11140.

Respectfully submitted,

NIXON & VANDERHYE P.C.
